

Volunteer Drivers Needed!

Delaware County Connections

Become a Volunteer Driver and connect people to valuable resources in your community!

Provide rides to places like doctor and dentist appointments, the pharmacy, library, pool...wherever people need to go. Build relationships and feel a sense of fulfillment!

Fact: Volunteering has numerous benefits for you, your family and your community! Volunteering increases self-esteem, and helps find new interests and hobbies! Volunteering combats depression and even helps you stay physically healthy and fit!

How it works:

- Pick up a volunteer drivers handbook at the Chamber of Commerce or Delaware County Community Services building in Manchester.
- Fill out the forms in the handbook and return it to the RTA, 7600 Commerce Park, Dubuque, IA 52002 Att: Tricia Wagner.
- The RTA will conduct a criminal background and child abuse registry check.
- Volunteer drivers will be required to attend a brief training on volunteer responsibilities.
- A volunteer in Delaware County will drive the RTA Rides to Wellness van, requiring a Chauffeur license. License upgrade is very easily obtained, no testing, fee reimbursed! Call RTA for details.
- Once you are approved as a volunteer, the RTA will contact you for available rides. Your RTA schedule is flexible and you are not obligated to take every request.

This service provided by Delaware, Dubuque, & Jackson County Regional Transit Authority.
